

eCigarettes

- Benefits: Drives Revenue, Reduces Contraband and Increases Inmate Morale
- Used in hundreds of jails throughout the United States.
- Taste, nicotine content, and long lasting units increase satisfaction leading to sales at an average of 8 units per 1 inmate
- Regular, Menthol and Mixed Berry are available
- High Quality: Draws per unit average 600+ which equates to more than 2.5 packs of cigarettes
- Each unit contains 24 mg nicotine
- Warranty-100% replacement guarantee on defective units

Designed for jails and includes security features such as:

- Clear design so you can see inside the unit
- Sealed ends to prevent contraband/discourage tampering
- Flexible plastic casing/Shank resistant
- Serial Number with Barcode printed inside to track ownership of each unit
- Battery Limiter Switch safely prevents long draws
- No combustion or smoke, which means no second hand smoke
