

Key Benefits:

- **Designed for Corrections** - Each corrections safe, nTAB package contains (6) lozenges for a total of 24 mg of nicotine
- **Reduce Contraband** - nTABS reduce the need to sneak in tobacco by providing an allowable and accepted alternative.
- **Grow Your Revenue** - Re-sell nTabs to assist your inmate betterment fund.
- **Improves Inmate Demeanor** - nTABS reduce withdrawal symptoms of inmates addicted to tobacco.
- **Quit Smoking Program** - nTabs can also be used as an effective tobacco cessation technique and 'quit smoking' program for the facility. This makes for a great message to the county from the Sheriff.
